

A Team Log

Autumn 1994

Number 22

We Would Like To Thank You

You are cordially invited to a "Thank You" celebration of the money you raised from FIRECRACKERS.

Stuart Neil, the Field Director of Goodwill Children's Village, is flying back to England and will be in West Mercia on the evening of Monday 17th October 1994.

M&B and the staff of The Woodhayes Pub in Wednesfield are inviting us to spend the evening in their function room. They have also offered to provide us with some sandwiches **free of charge**.

It will be great to see all the FIRECRACKERS team again on this evening (at about 8pm) and it will give Stuart a chance to tell us how the money has been

spent.

The function room is very large so feel free to bring your family, friends or the rest of your Venture Unit.

Put it in your diary now... 17th October, 8pm at "The Woodhayes", Blackhalve Lane, Wednesfield, Wolverhampton. Look forward to seeing you there!

Sing along with the A Team

At last you can now sing along to all those favourite campfire songs without having to remember all the words.

We have now printed our very own song book containing the words to over one hundred of the songs we love to sing (I sound like a radio 2 presenter). The book is on sale for £3 (profits to Goodwill) and available from myself, Micky Pugh or JP.
